To
The Honourable Minister,
For Public Works Department,

Regarding: Arrears of pay and D.A. from the Hubli Electric Supply,P.W.D.,HUBLI.

Respected Sir,

I the undersigned beg to state a few lines as under on the above subject,for your sympathetic consideration and request your kindness for your favourable actions on it.

I was serving in the Hubli Electric Supply as a lineman for over ten years.But I resigned it for my better prospects,with a proper notice of 30 days since 1-7-48.My resignation was approved and finally accepted by the Executive Engineer Northern Elect.Division,and I was relieved as per his Wire-orders(dated 3rd Aug 1948)with effect from 4-8-48. I was getting Rs.27+5+D.A.,p.m. as my pay in the unrevised(old)scale Lineman's scale was revised at Rs.52/-in the grade of 52-3-85, as approved by the Pay Commission Board and as sanctioned by the Bombay Government in a G.R. of February 1948.

But Revision of scale was not made applicable to the staff of Hubli Electric Supply by the time of leaving the Job.Yet Bombay Govt had announced by this time that Revision of scale would be made applicable to the staff of this supply.Accordingly some members of this supply(whose designations were clear) got the full benefit of Revision.In this connection I beg to bring to your notice that my designation(Lineman) was quite clear(entitled for the scale of 52-3-85),and I was a qualified wireman by the time.

In the Wire-order(dated.3-8-48),orders were issued by the Executive Engineer to relieve me and also to appoint a lineman on Rs.52/-(in the revised scale).But it appears that the then Deputy Engineer objected this and appointed a lineman on the same pay I used to draw(i.e in unrevised rate).When it is a fact that Bombay Govt.announced to apply Revision to the staff of this supply(in 1948 only),and also that Executive Engineer had issued orders to appoint a lineman in the revised rate of pay in accordance with Bomaby Govt orders,it is quite evident that I am legally entitled to receive the full benefit of revision with retrospective effect from 1-1-47(as awarded to a few mebers on the staff of this supply),upto the date of my relieving from the services of this supply.

Under the circumstances I beg to request your honour to consider the above stated facts very sympathetically and to grant the necessary sanction of my differences of pay and allowances with retrospective effect from 1-1-47 to 4-8-48 My designation then being clear and my self being a qualified wireman,my case totally agrees with that of a few clerical staff there,who got revision retrospectively from 1-1-47.This may kindly be realised and the necessary actions be taken as to accord sanction for an early payment of arrears of pay and D.A. etc due to me from this Supply.

Awaiting to hear your immediate actions on the subject,and thanking in advance.

HUBLI.

Ref: Your Office No.P.W.D.12 dated 21st Feby 1951.

Respected Sir,

Referring to above letter,I the undersigned beg to draw your immediate attention towards my application dated 15th Feby 1951 on the above subject,and request your favourable actions in the matter at an early date.

It has been already brought to your notice in my last application,as to how I am legally entitled for the dues of pay and D.A.(from H.E.Supply) with effect from 1-1-47 to 3-8-48 etc.in view of the facts and proofs that are stated in the said application. I believe that the same is enough to make you Sir, to realise my claim, and I have nothing to add to it here again.

However,I request you Sir,once again to make an immediate enquiry in the matter,and to accord your kind sanction at an early date for the payment of my dues from the H.E.Supply,P.W.D.Hubli,. Hoping to be excused for the troubles and thanking in anti-cipation of the favoured kindness.

Re:-Arrears of pay and Dearness Allowance to Shri A.L.Jadhav from the Hubli Electric Supply, Hubli.

Ref:-Your endorsement, No.S-92/17297-E(II) dated 11-3-1951.

The applicant Shri Jadhav resigned on 1-7-1948 from the abo[ve] Supply Undertaking. The revised pay scales for the work-charged Establishment at the Hubli Electric Supply Undertaking were sanctioned vide Government Resolution, Public Works Department, No.6919/36 dated the 23rd December 1949 and were to be given effect to from the same date vide please Government letter, Public Works Department, No.1264/48-E/(II) dated 21-9-1950.

The question of giving the applicant, the benefit of the revised

scales...

scales of pay, does not, therefore arise.

2. Shri A. L. Jadhav, a lineman, Hubli Electric Supply Undertaking, who resigned from the services with effect from the 4-8-48 has again approached Govt. with a request that he may be granted arrears of pay due to the revision of payscales - (vide pl. item 9 of para 2 of G.R. No.6919/36, dt. the 23-12-49).

3. Shri Jadhav along with 16 other persons from the Hubli Electric Supply Undertaking, Hubli, who were serving on work-charged estabt. had approached Govt. in July 1950, but the request then was turned down because no corresponding scales existed for the permanent and tempy. estabt. prior to bringing the work-charged estabt on the time scale The Elecl Engr's request for granting the pay with retrospective was therefore negatived as per G.L. No.1264/48-E(II), dt. the 21-9-50. Amongst others, Shri Jadhav has not, therefore, been granted the pay in the revised scales

4. The Elecl. Engr. whose remarks in the matter were called for has not offered any remarks on Shri Jadhav's allegations regarding grant of 'full benefit of revision' to others. It is for consideration whether the Elecl. Engr's remarks on this point may be called or whether the request for the grant of pay according to the revised scale with retrospective effect may be turned down again as was done in the past.

Copy of letter No. 584 dated 1st August 1951 from the Deputy Engineer, Hubli Electric Supply to the Executive Engineer, Bombay.Electrical Division, Bombay. Re:- Arrears of pay and dearness allowance from the Hublic Electric Supply.

========

With reference to your letter No. 3448 dated the 28th June 1951, I have to state as under:-

As per G.R. No. 6567-33-1 dated 15-1-1948, the revised scales were made applicable for all the departments of Government with effect from 1-1-1947.

However this G.R. was not made applicable to all the staff (except 5 clerks and a peon in this office, whose designations were not changed) on account of the incorrect designations which were prevalent at that time.

As per G.R. No. 6919/36 dated 23-12-1949 the designations were suitably changed and new revised scales were made applicable to them with effect from the date of the above G.R. and not from 1-1-1947. The work carried out by them remained the same, but only the designations were changed to suit the new pay scales.

As the 5 clerks and a peon in the office staff got new scales with retrospective effect from 1-1-1947 all the other staff felt extremely aggrieved as their pay scales have been applied from 23-12-1949 only i.e. from the date of G.R. The applicant is one of the persons who suffered on account of the change in the designations and deprived of all the arreads with annual increments of all the -- previous years. ex 9, e. from 1-1-1947.

P.T.O.

The grievances suffered by the staff including the applicant are genuine and it is therefore recommended that Government may be moved to redress their grievances.

From the para.1. of the Elecl. Engr. s letter No. LR! 11/1599, dated the 11th May 1951, it is seen that the services of Shri Jadhav were borne on the work - charged estabt.
